

Disaster Management Center Badulla

08:16:31am

Daily Report

Date : 17-11-12

There are 50 areas in Badulla district, which are under the supervision of the Disaster Management Center of Badulla. The disaster management center provides warning messages to people who are under the risk of landsliding. This daily report contains information relevant to the areas which are under the supervision of DMC. Please use this report to identify key risk areas and take immediate actions to leave these warning areas. People who are in the dangerous areas should be careful about the rainfall within the next 24 hours. If you need any help or advice, please contact the DMC of Badulla immediately.
